Device and Accessories
Return Policy

For purchases made on T-Mobile.com, myT-Mobile.com or Customer Care.

We are dedicated to your satisfaction.

If your new T-Mobile device or accessory does not meet your expectations and in order for your account to receive full credit for your purchase price (less any rebates or restocking fees*), please return the device and/or accessory, all associated original contents, undamaged and in good working condition (with no alteration to original hardware or software), within the following timeframe:

• For the device, 20 days from receipt date**
• For additional accessories not part of the original device package, 30 days from receipt date

All devices, accessories, or other items received as part of a promotional offer (e.g., “Buy One Get One” etc.) must be returned for a refund or exchange. Offers that provide you with a discount on a device, service, accessory or other item or feature (e.g., “Buy One Get a Discount on Another”, etc.) will result in you no longer remaining eligible for the discount, and you may be charged the difference between the discounted price and the regular price. Limited Edition and some other Devices may not be refunded or exchanged.

A restocking fee might apply for the following devices:

• $75 for advanced, data-focused devices that are designed for web browsing (e.g., tablets, netbooks).
• $50 for smartphone devices designed for web and social media use in addition to standard phone features such as voice and text messaging.
• $25 for all other devices (e.g., basic phone devices, data sticks).

Your account should be credited for the full purchase price of the device and/or accessory (less any rebates) within two billing cycles.
