

# Powerful devices to connect your business

Stay productive virtually anywhere work takes you

## Premium smartphones

Ideal for managers and executives who need speed and rich features.

T-Mobile connects employees and customers—increasing access to information and people where your teams go. We offer a wide range of voice and mobile internet solutions, including a comprehensive smartphone and tablet portfolio, right-fit rate plans, and flexible services.

## Voice solutions

Whether in the office or traveling abroad, your workforce needs reliable coverage, fast data and powerful smartphones. Sales teams require access to email and apps to quickly respond to customer needs, and executives depend on reliable, worry-free global coverage.

## Our voice solutions portfolio includes:

- Diverse classes of smartphones for your budget and needs
- Unlimited talk, text and up to 5GB 4G LTE data in Canada and Mexico
- Text and data in 210+ countries and destinations
- Unlimited smartphone Mobile HotSpot at up to 3G speeds
- One free hour of Gogo® inflight Wi-Fi per flight and unlimited messaging
- Unlimited video streaming
- Premium plans include international talk and 4G LTE data abroad, where available

## Mid-tier smartphones

Ideal for teams that need apps, but not large screens and cameras.

## Affordable smartphones

Ideal for field workers who need basic features on a lightweight device.

# Game-changing technology

Our mobile internet solutions help businesses work smarter and more efficiently—and combined with the power of leading apps, they can help automate and innovate across many industries, from business services to manufacturing.

Contact a T-Mobile Business Expert today

## Premium tablets

Take your business mobile with a full-feature set and top speed.

## Mid-tier Tablets

Get great performance, plus incredible value.

## Affordable tablets

Scale up with a low-risk, functional device.

## Hotspot solution

Expand your reach by connecting 10+ devices simultaneously.

## Business continuity solution

Avoid disruption during a landline outage.

“T-Mobile helped me blend my dispatching software with their technology. Unlike other carriers, when I sat down with T-Mobile, they asked what my needs were, what my business goals were and how they could help me move my company forward. I feel like T-Mobile is on my team. T-Mobile sat down and developed a plan with me.”

—Brandon Vanek, Founder, Houston Delivery Company Contact

Limited time offer; subject to change. **T-Mobile One General Terms:** Credit approval, deposit, and \$25 SIM starter kit or, in stores & on customer service calls, \$20 upgrade support charge may be required. Capable device required for some features. U.S. roaming and on-network data allotments differ: includes 200MB roaming. Unlimited talk & text features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. Unlimited high-speed data US only. In Canada/Mexico, up to 5GB high-speed data then unlimited at up to 128kbps. T-Mobile ONE not available for hotspots and some other data-first devices. **Video streams** at up to 1.5Mbps. Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. **Tethering:** For the small fraction of customers using >50GB/mo., primary data usage must be on smartphone or tablet. **Simple Global:** Usage may be taxed in some countries. Calls from Simple Global countries over, including over Wi-Fi, are \$.25/min (no charge for Wi-Fi calls to US, Mexico and Canada). Standard speeds approx. 128Kbps without Plus; with Plus approx. 256 Kbps. **Plus:** Postpaid only. Turn on HD. Video streams in native resolution which may not be HD. **Gogo:** on U.S.-based airlines; Wi-Fi Calling functionality, valid e911 address, & 1 prior Wi-Fi call w/ current SIM card req'd for messaging. **Stateside Int'l Talk:** Calls must originate on T-Mobile's U.S. network or in Canada/Mexico. Rates and included countries vary and may change. **Coverage** not available in some areas. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on device. See T-Mobile.com/OpenInternet for details. **See Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
