

T-Mobile For Business MARKETPLACE

Microsoft Office 365

Office 365 is the best-in-class productivity solution that gives you up-to-date apps and services that will help your employees get more done and work better together.

Get powerful services to transform your business, including all the Office 2019 productivity apps you're used to, together with online services designed to help you grow and manage your business today and into the future.

Run and grow your business

Be more productive from virtually anywhere with mobile and web-based applications together with cloud-based collaboration services such as business-class email, web conferencing, and online file storage.

Get the apps you need

Get the Office apps (Word, Excel, Outlook, PowerPoint, and OneNote) installed across PCs, Macs, tablets, and mobile devices.

Meet online

Host online meetings with instant messaging, screen sharing, and HD video conferencing.

Stay connected

Use business-class email and scheduling through an Outlook experience you can access from your desktop computer or mobile device.

Collaborate easily

Connect your employees with Microsoft Teams in Office 365, where chat, content, and productivity tools come together, so each person has access to everything they need.

T-Mobile for Business Marketplace offers affordable productivity solutions, like Microsoft Office 365, as well as mobile management solutions for your business. The best part: our Marketplace team will help you with onboarding and provides 24/7 support for these business-critical apps. Learn more about the Office 365 solutions on page 2 and view all the available solutions at [T-mobile.com/business/solutions/marketplace](https://t-mobile.com/business/solutions/marketplace).
