

T-Mobile For Business MARKETPLACE

Taimer

Track your sales leads, foster relationships, and grow your customer list with Taimer, a customer relationship management (CRM) tool built for small businesses, now available through T-Mobile for Business Marketplace.

Grow your business with a mobile CRM

Taimer allows you to monitor your sales cycle, from quote to contract— all from your mobile device. Plus, Taimer integrates seamlessly with Office 365, QuickBooks, DocuSign and other software your team already uses to simplify your work.

Build relationships

Find leads, store customer's data, manage accounts, and view client interactions.

Close deals

Track leads, manage your sales pipeline, and create forecasts.

Control finances

Generate and send quotes, stay on budget, and integrate with accounting software.

Gain insights

View in-depth reports on invoicing, sales, finances, and more—all in real time.

T-Mobile for Business Marketplace offers affordable productivity solutions, like Taimer, as well as mobile device management solutions for your business. The best part, our Marketplace team will help you onboard and provides 24/7 support for these business-critical apps.
