

# In the office, working from home, or on the move—connect and collaborate with ease

Today's businesses are embracing the shift to a hybrid workforce where employees work from the office or store, remote from home, in the field, or any combination of locations. To remain competitive, businesses must adapt to this evolving mobile environment. WFX Solutions from T-Mobile® for Business gives your employees the reliable connection and the tools to collaborate where work happens.

## WFX Solutions include three offerings that help remote workforces meet the changes they face in a work-from-almost-anywhere world.

### T-Mobile Home Office Internet

Discover easy-to-install, high-speed internet with a separate, business-grade connection for your remote employees working at home. T-Mobile Home Office Internet equips remote workforces with the bandwidth they need to remain productive.

**Broad coverage**—5G and 4G LTE network has the reliability and coverage to reach your workforce

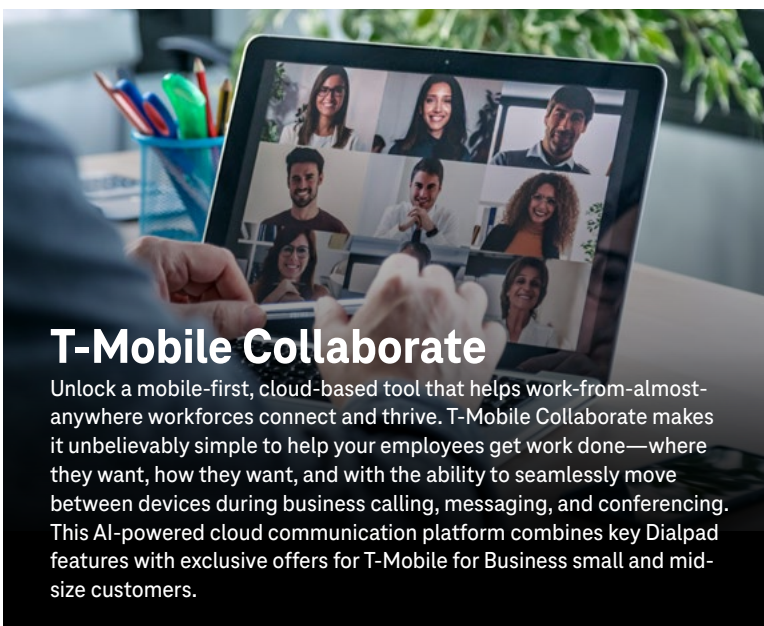

**High-speed internet**—separate, fast connectivity means no more fighting over bandwidth at home

**Protected connectivity**—built-in security and productivity filters help ensure business-critical applications perform as expected

**Easy DIY installation**—routers ship directly to employees for self-install that can be completed in minutes

**Amazing customer support**—experience 24/7 support from experts who understand your business

During congestion, customers on this plan may notice speeds lower than other customers due to data prioritization. Not available in all areas.

### T-Mobile Collaborate

Unlock a mobile-first, cloud-based tool that helps work-from-almost-anywhere workforces connect and thrive. T-Mobile Collaborate makes it unbelievably simple to help your employees get work done—where they want, how they want, and with the ability to seamlessly move between devices during business calling, messaging, and conferencing. This AI-powered cloud communication platform combines key Dialpad features with exclusive offers for T-Mobile for Business small and mid-size customers.

**Dialpad Talk**—employees have a business number and can call, message, and meet from virtually any device

**UberConference Business**—HD video and audio with no PINs or downloads

**Voice Intelligence™**—improve productivity using AI-powered assistance to transcribe conversations in real-time and set next best actions from voice transcriptions and commands

**Affordable plan**—with a qualifying rate plan, get Dialpad Talk UberConference Business for only \$12/month per team member

**Simple solution**—a cloud-based solution enables fast setup, hassle-free deployment, and easy ongoing user management

**Exclusive bundles**—unique offers developed exclusively for T-Mobile for Business customers

Qualifying wireless voice service with 11+ lines required. Plus taxes & fees; monthly cost recovery surcharge totaling \$2.98 per line applies.

## Business Unlimited Plans from America's leader in 5G

Take full advantage of 5G for your workforce with unlimited data and coverage in more places than anyone else. T-Mobile for Business Plans take the complexity out of wireless, saving you time, energy, and cost. Plus, you get access to a dedicated team of experts that find solutions for your business.

### Business Unlimited Plans include:

- **America's largest and fastest nationwide 5G network.** We cover more businesses, more people, and more places than anyone else.
- **Unlimited data.** We keep you covered for all your important business needs with unlimited data and 5G and 4G LTE access at no extra charge.
- **Turn your phone into a mobile hotspot.** Keep your devices connected to the internet with up to 100GB of 4G LTE hotspot data.
- **Microsoft 365 On Us.** Access the tools your business needs such as Word, Excel, and PowerPoint to maximize collaboration and communication.

- **Reliable connectivity abroad.** Unlimited calling, texting, and data in Mexico and Canada with up to 5GB of high-speed data at no extra charge.
- **And more**

Unlimited while on our network. Customers using over 50 gigs a month may notice reduced speeds due to data prioritization. Video at 480p. Awarded fastest 5G by Opensignal in [USA 5G User Experience Report](#) April 2021. See 5G device, coverage, & access details at [T-Mobile.com](#). **M365:** Qualifying plan required; contact us to activate. One subscription per line, up to 2 lines per account.

## Hybrid workforces are more common than ever

Digital transformation is changing how employees communicate and small and mid-size businesses operate. Hybrid workforces are no longer isolated exceptions, but rather the new requirement of today's workforce.

High-speed internet connectivity provides remote employees with the bandwidth they need to boost productivity.

Innovative collaboration solutions connect employees, where they work, through business calling, messaging, and video conferencing from virtually any device.

Our signature unlimited business phone plans deliver the flexibility and freedom that remote employees need while reducing the burden on IT staffing.

WFX Solutions delivers the capacity, coverage, and speed that remote teams need to succeed in today's work-from-almost-anywhere environment.

During congestion, heavy data users (>50GB/mo. for most plans) and customers choosing lower-prioritized plans may notice lower speeds than other customers; see plan for details. Video typically streams on smartphone/tablet at DVD quality (480p).

**Home Office Internet:** During congestion, customers on this plan may notice speeds lower than other customers due to data prioritization. Not available in all areas. Plus taxes & fees: Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$1.16 per data only line (\$0.15 for RPF & \$1.01 for TRF) apply; taxes/fees approx. 3-12% of bill. Qualifying business or government account and credit approval required. For use only with T-Mobile Gateway for in-home use at location provided at activation. If canceling service, return gateway or pay up to \$370. **Video** streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **Security and productivity filtering** blocks select content. See Sales Rep or [T-Mobile.com/filtering](#) for content filtering options and details. **Business Unlimited Plans:** Credit approval, deposit, and, in stores & on customer service calls, \$20 assisted or upgrade support charge may be required. Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$3.18 per voice line (\$0.60 for RPF & \$2.58 for TRF) and \$1.16 per data only line (\$0.15 for RPF & \$1.01 for TRF) applies; taxes/fees approx. 4-38% of bill. Capable device required for some features. Not combinable with certain offers. Switching plans may cause you to lose current plan/feature benefits; ask a rep for details. Max 6 lines. Plan not available for hotspots and some other data-first devices. **Unlimited talk & text** features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. Some messages, including those over 1MB, use data and may be unavailable internationally. Unlimited U.S. roaming. Unlimited high-speed data is US only. In Canada/Mexico, data is unlimited at up to 128kbps speeds for Select; Advanced and Ultimate have up to 5GB of high-speed data and then unlimited at 128kbps for Advanced/256kbps for Ultimate. Not available for hotspots and some other data-first devices. **Video streams** at up to 1.5Mbps; for Ultimate, activation required to deliver video streams at speeds that provide up to **Ultra HD video** capability (max 4K); some content providers may not stream their services in UHD. Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. **Microsoft 365:** contact us to activate one M365 Business Basic license while you maintain 1 qualifying Business Unlimited - Advanced or Ultimate line in good standing or two M365 Business Basic licenses (1 basic and 1 standard license for Ultimate) while you maintain 2+ lines. Activation requires access to Marketplace, a T-Mobile service providing access to Ingram Micro Inc.'s online business-to-business platform for purchasing third-party products and services. Platform and subscription use subject to applicable third-party licenses, terms, and conditions, including the Microsoft Customer Agreement and Marketplace terms and conditions at <https://us.cloud.im/legal/>. May not be combined with Netflix On Us, Family Allowances, or content-blocking features; adding these features will result in immediate cancellation of Marketplace subscriptions without further notice. Between \$6 and \$12/mo. value, depending on line count. Value not redeemable or refundable for cash or credit and may not be creditable towards other products. Must remain active and in good standing or licenses terminate and data becomes inaccessible. May take 1-2 bill cycles. Like all plans, features may change or be discontinued at any time; see T-Mobile Terms and Conditions at [T-Mobile.com](#) for details. **Tethering:** 5GB high-speed data for Select (40GB for Advanced and 100GB for Ultimate) then unlimited on our network at max 3G speeds. For the small fraction of customers using >50GB/mo., primary data usage must be on smartphone or tablet. Smartphone/tablet usage is prioritized over Mobile Hotspot (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. **AutoPay Pricing** for lines 1-5, max discount of \$25. Without AutoPay, \$5 more/line/mo. May not be reflected on 1st bill. **Int'l Roaming:** Usage may be taxed in some countries. Calls from Simple Global countries, including over Wi-Fi, are \$.20/min. (no charge for Wi-Fi calls to US, Mexico and Canada); customers on consumer plans (e.g. some sole proprietors) pay an additional \$.05/min. Standard speeds approx. 128Kbps. (256kbps for Ultimate). **Not for extended international use; you must reside in the U.S. and primary usage must occur on our network.** Device must register on our network before international use. Service may be terminated or restricted for excessive roaming. **All Plans: Coverage** not available in some areas; we are not responsible for our partners' networks. **Scam Shield:** Capable device req'd. Turning on Scam Block might block calls you want; disable any time. **Gogo:** on U.S.-based airlines; Wi-Fi Calling functionality, valid e911 address, & 1 prior Wi-Fi call w/ current SIM card req'd for messaging. **Network Management:** Service may be **slowed, suspended, terminated, or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. During congestion, heavy data users (>50GB/mo. for most plans) and customers choosing lower-prioritized plans may notice lower speeds than other customers. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on device.
