Hiring & Career Readiness

- Our Military & Diversity Recruiting Programs accelerate military hiring efforts at T-Mobile and provides additional support with career navigation for veterans and military spouses. Plus, we are engaged in over 100 military communities across the country and attend more than 100 hiring events nationwide each year. What is Military Friendly®?

- T-Mobile is proud to be a Military Friendly employer, the gold standard from GI Jobs Magazine that measures an organization's commitment, effort and success in creating sustainable and meaningful opportunities for the military community.

“Military service members sacrifice so much to ensure safety and freedom for our country. At T-Mobile, we understand this deeply and so we've made it a priority to provide a great workplace for our military employees—excellent benefits, an organized effort to hire service members and spouses, discounted wireless plans, and many resources to help with transition to civilian life. I'm honored to be the executive sponsor of our Veterans & Allies Employee Resource Group, where I am continually in awe of the character of our military employees – hardworking, highly skilled and dedicated – traits that mirror what T-Mobile is all about.”

– Jon Freier, EVP of Consumer Markets

Nearly **50%** of self-identified veteran employees work in technology, and we intend to continue our focus on hiring them at T-Mobile.

- Veterans & Allies Network (VAN) is a community of 12,292 T-Mobile employee veterans and allies who seek to increase awareness around veteran culture, the positive impact veterans add to the business, and how veterans' values of respect, integrity, loyalty and honor align with T-Mobile company values.

- T-Mobile signed the "Pledge to Prioritize Mental Health and Emotional Wellbeing in the Workplace," a commitment to provide workers - veterans and civilians alike - the services and resources they need to stay mentally fit.

Employees may be eligible for supplemental pay for an additional 50 weeks (max two claims per year).
- Military spouse retail transfer allows retail teams to transfer a military spouse employee from one market/region to another based on military relocation (permanent change of station or PCS).

- Other T-Mobile employee benefits include health plans, paid time off, child care assistance and paid parental leave (and much more).

Our Communities

- T-Mobile has partnered with The Mission Continues, where our employees volunteer in their local communities across the country to give back to the veteran community.
- We have also been a top sponsor for the United War on Veteran Council's annual Veterans Day parade in New York City. More than 100 T-Mobile veteran and military spouse employees proudly march in the parade each year.
- Since 2018, T-Mobile has [partnered](#) with the U.S. Department of Veterans Affairs to provide free wireless service for the VA's telehealth app, making healthcare more accessible to millions of veterans.

“ I am proud to be one of the co-chairs of T-Mobile's Veterans and Allies Network. Together, alongside over 12,000 T-Mobile who have made a formal commitment to support the veteran community – we are evolving T-Mobile each day to be a best workplace for active duty military, veterans and their families. It is our mission to do all we can to serve those who have served our country.”
